# It's Challenge

---

- Form groups of 2-3 participants
- Attend the lectures
- Participate in the Kaggle competition

# What to expect

---

- A dense agenda and work plan
- A formidable team of organizers
- Recognition.. winners to present their solution at Unicredit

# Evaluation and AACF credits Requirements

---

- A good conduct
  - Attend the entire training camp
  - Take a professional attitude
  - We would not admit nor re-admit students who show up with delay to the event or skip a session
- Beat the baseline
  - Need to surpass the given minimum performance score
- Respect privacy
  - Do not record videos nor take pictures

# Beyond the Training Camp

---

- Did you like it?
- Do you want to take this further?
- Get in touch for masters' projects, internships and PhDs

**Thank you**
